

Fir Cone Music 1

Using fir cones as an instrument

What you need

- Fir cones of different shapes and sizes. Some open, some closed.
- Sticks, about 30cm long, different thickness.
- Some music to play along to, or a song of your own.

Sounds

- Test your fir cone, see how you can make a range of sounds,
- Loud and Soft
- Quick and Slow
- Single or many

Music

- Play some music to join in with, or sing along to your fir cone instrument.

Experiment

- Try using open or closed cones, or another stick, or a little bunch of sticks to play.
